

# The Marvelous Desert

The marvelous desert, is  
made with cactus and big trees.  
It's beautiful to see, All the  
creatures living there lives, they  
hunt for food in disguise.  
You probably heard it's dry,  
which is true, but there is  
other marvelous things just  
waiting for you! Come along my  
friend, this journey's just begun.  
I promise it's going to be fun!
