Rain

Rain in the desert
Rain rain rain
it won't stop
Drip, drop, splat,
A chilly breeze as you look up with eeze
A gorgeous rainbow
A colorful rainbow as you sneeze
So cool outside
as you see a rabbit hop by
Rain dripping down the window
Rain dripping in the car passing by
Rain dripping all in the air
Rain dripping on the roof
Rain in your hair
I love desert rain
Cacti and animals do too
Drip,
Drop,
Splat
Rain
